<b>Attachments/Forms:</b> None	

The purpose of this transmittal is to provide information regarding the launch of the Kentucky Chapter of the Foster Care Alumni of America (FCAA). The FCAA is a national non-profit association, founded and led by alumni of the foster care system. The FCAA carries out the mission of connecting the alumni community, as well as transforming foster care policy, practice, and research, thus, ensuring opportunity for people in and from foster care. While membership in FCAA is mostly comprised of foster care alumni, membership is open to others (e.g., child welfare professionals, social workers, foster parents, etc.) interested in forwarding the FCAA mission.

Currently, FCAA is working on a number of initiatives aimed at providing and supporting services to foster youth and alumni throughout Kentucky. These initiatives include a newly designed speaker's bureau training for foster youth and alumni, an ongoing foster youth peer support group, and professional development symposia for foster care alumni. To become a member of the Kentucky chapter of FCAA, or for more information about FCAA initiatives and projects, email the [kychapter@gmail.com](mailto:kychapter@gmail.com), visit the website at [fostercarealumni.org](http://fostercarealumni.org), like them on Facebook (Foster Care Alumni of America - Kentucky) or contact J.
