Dear PCC/PCP Provider,

As referenced in CCT 14-08, amendments to 922 KAR 1:360, Private child care placement, levels of care, and payment were necessary to increase residential child-caring and child-placing agency foster care per diems in accordance with the state/executive branch budget bill enacted during the 2014 Regular Session, and to make updates and clarifications to incorporated materials. Final amendments have now been adopted and the regulation can be viewed via the LRC website (<http://www.lrc.state.ky.us/>). Incorporated forms for immediate use are attached and can be accessed through the Children's Review Program site, as well as the Standards of Practice Online Manual.
