### Contract Correspondence Transmittal (CCT)

<b>CCT Number:</b> 15-09	<b>Date of Issue:</b> 6/3/15
<b>Issuance:</b> Division of Protection and Permanency, Assistant Director-Christa Bell <i>CBell</i>	
<b>Key Words/Phrases:</b> SAFESPACE, Pilot Participation, Reassessment Timeframe	
<b>Attachments/Forms:</b>	

The purpose of this transmittal is to provide PCC/PCP staff clarification on pilot participation and define who within the out-of-home care population will be eligible for screening and assessment. The transmittal will also provide a timeframe for reassessment.

The following outlines the intervention population for the pilot regions (i.e. **Northeastern and Southern Bluegrass Service Regions**):

- Children removed from and placed in the pilot regions in a PCP
- Children removed from the pilot and placed in a residential facility in a pilot region or Cumberland, Jefferson, The Lakes, Salt River Trail, and Two Rivers regions. Children placed in PCCs in the comparison regions (i.e. Eastern Mountain and Northern Bluegrass Service Regions) **will not** be eligible.
- During the pilot year PCCs/PCPs are only to use the KY CANS for the OOHC intervention population identified above. Doing so will ensure fidelity to the program evaluation and enable adjustment of the process based on lessons learned during the pilot.

PCPs /PCCs with SAFESPACE eligible children will be charged with ensuring reassessment of the KY CANS occurs every 90 days.

If you have any questions regarding this transmittal please refer to CCT 15-06 or contact Christa Bell at [Christa.Bell@ky.gov](mailto:Christa.Bell@ky.gov) or by telephone at (502) 564-6852.
