Contract Correspondence Transmittal (CCT)

CCT Number: 15-10	Date of Issue: 9/24/15
Issuance: Division of Protection and Permanency, Assistant Director-Christa Bell <i>CBell</i>	
Key Words/Phrases: DSM-V	
Attachments/Forms:	

The purpose of this transmittal is to provide PCC/PCP staff clarification on the federal ICD-10 requirements that take effect on October 1, 2015. Consistent with these federal requirements, DCBS will require PCC/PCP agencies to use the DSM-V for diagnostic purposes effective October 1, 2015, and the DSM-IV should no longer be used. This change and consistency across all providers, including PCC/PCP agencies, is important for many reasons, including placement referrals and potential hospitalization needs for state foster children.

If you have any questions regarding this transmittal please refer to CCT 15-06 or contact Christa Bell at Christa.Bell@ky.gov or by telephone at (502) 564-6852.
