Contract Correspondence Transmittal (CCT)

CCT Number: 16-03	Date of Issue: 3/24/16
Issuance: Division of Protection and Permanency, Assistant Director-Christa Bell <i>CBell</i>	
Key Words/Phrases: Piloting of the new version of the DPP-886A	
Attachments/Forms:	

The purpose of this transmittal is to inform Private Child-Caring and Child-Placing staff of the new version of the DPP-886A form, which will be piloted in the Eastern Mountain Service Region.

The new version of the DPP-886A was developed as part of the Child Welfare Performance and Accountability Partnership (previously the Performance Based Contracting Initiative) through the Practice Subgroup. This updated form is being piloted in the Eastern Mountain Service Region beginning April 1, 2016 and will begin piloting shortly thereafter in the Salt River Trail Region. Please be aware that agencies may notice the difference in forms.

The goal of the new form is to provide more comprehensive information regarding children referred for placement in foster care. Ultimately we anticipate that more detailed information at the onset will lead to enhanced stability and more positive outcomes for children in the child welfare system. Agencies and staff are encouraged to provide feedback regarding the updated form.

If you have any comments or suggestions regarding the new version of the DPP-886A or the piloting of this form please contact Sherry Postlewaite at Sherry.Postlewaite@ky.gov or 502-564-2147 ext. 3636

If you have any questions regarding this transmittal please contact Christa Bell at Christa.Bell@ky.gov or by telephone at (502) 564-6852.
