

Did You Know?

We would like to take this opportunity to remind you about the peer recognition program via email that can be used throughout DCBS including field offices...**SPOT ON!**

We appreciate a job well done but sometimes those efforts go unrecognized. The **SPOT ON!** Program provides a way for staff to recognize their fellow workers.

If you see someone lending a hand or just giving that little extra something to go above and beyond their job duties, this is the way to let them know they are appreciated! You will fill out the form with a message and send to the recipient.

If you would like to have your **SPOT ON!** posted on the Recognition Board located at the top of the third floor escalator in the CHR Building, please forward your form to Karen Boden at Karen.Boden@ky.gov.

We are looking forward to **Spotting You!!**

“Did You Know?” is brought to you from the Division of Protection & Permanency.
If you would like more information, please contact Karen Boden at Karen.Boden@ky.gov.
